Explanation of Responses:

- Represents shares of common stock underlying performance shares earned upon the achievement of performance criteria determined to be satisfied on June 18, 2020. The performance shares will vest in full on June 28, 2022, subject to the Reporting Person's continued service with the Issuer through the vesting date. Each performance share initially represented the right to receive one share of common stock based on, and subject to, the approval of a new chemical entity developed by the issuer as a drug by the U.S. FDA or the European Medicines Agency during a specified performance period.
- Includes an aggregate of 95,832 shares of common stock issuable pursuant to the performance shares reported above and previously reported restricted stock units and performance shares that have not vested as of June 18, 2020.
